

Intro to Operating Systems
CNET 173
Assignment #2

Hand Held Devices

	Hand Held Device	Assigned Student
1	Archos 704 WiFi	Alexander, Jason
2	HTC 7 Mozart	Bushar, Irfan
3	HTC Touch	Burgess, Jennifer
4	HP iPAQ	Burnes, James
5	Samsung SGH-i760	Harris, Mark
6	iPhone	Middlebrook, Daniel
7	Nintendo DS	Singleton, Yashica
8	Nokia N810	Stepteau, Bernard
9	Samsung Omnia 7	

Locate the Handheld device associated with your name. Write a one page document consisting the device's history (i.e. release date, operating system, manufacturer, what country it is sold in, etc.). Also include technical information (i.e. web browser, operating system, whether or not it supports bluetooth or wifi and any applications that may run on that device.), and its primary usage.

Document should be typed and printed. Should include a cover page that consist of your name, course name and number, instructor's name, and due date. Your work cited should be on a separate page. You should turn in three (3) pages, a cover letter, the body and the work cited. The assignment must also be uploaded in CANVAS.
