There's an open gate at the end of the road
Through which each must go alone
and there in a light we cannot see
Our Father claims His own.

Beyond the gate our loved ones finds
Happiness and Rest;
And there is comfort in the thought
that a loving God knows best

Calm is thy slumber as an infant sleep
But thou shall wake no more to toil and weep.
Thine is a perfect rest... secure and deep
Only goodnight (Beloved) not farewell.
