## In Loving Memory

## Memories

I feel a warmth around me, like your presence is so near,  
And I close my eyes to visualize, your face when you were here,  
I endure the times we spent together, and they are locked inside my  
heart,

For as long as I have those memories, we will never be apart,  
Even though we cannot speak no more, my voice is always there,  
Because every night before I sleep, I have you in my prayer.
