### **THANK GOD FOR MY BIG FAMILY**

by: Jennifer Sylvester

The blessings of a big family, are only seen by a few.  
A few of the chosen ones, that God has given this blessing to.  
The blessings are so numerous, it's hard to even start,  
to number or to name them but they all hold a place in the heart

The heart of every person in a big family is unique.  
Its uniqueness makes us special and should not be critiqued.  
The memories that are made are more precious than gold:  
from babies to weddings; from young and to old

From grandparents to grandchildren and everyone in between,  
the many special relationships that are built and could have never been foreseen.

Thank you God for my big family I will treasure  
through the good times and bad the memories could not be measured.  
Thank you God for birthdays, simple get-togethers and even the tears;  
for I pray that these blessings last many, many more years

To have a big family can be a lot of work, not just play.  
But life is too short, so I THANK GOD FOR MY BIG FAMILY TODAY!
