In Loving Memory of

Family Tree (by: Ron Tranmer)

There's love within our family tree
And happiness abounds.
Its roots are deeply planted
In rich and fertile ground.

We enjoy the rays of sunlight,
And endure the winds and rain
And when a leaf falls from our tree,
Together we share the pain.

God gave us earthly families
And never did intend,
That bounds of love built on earth,
Upon our death would end.

For when our life is over
And from earth our souls will flee,
One by one, leaf by leaf
He'll rejoin our family tree.
